

Learning in Life, Life in Learning - L&L
Closing project meeting
16-18 of November 2024

AGENDA

Saturday 16.11.2024

17:00 - on

brainstorming discussion: general summary of the project, what we have learned – the organizations and learners perspective, successes and failures, conclusions useful for the future projects

Sunday 17.11.2024

10:00 – 13:00

coordinators meeting – documentation review, what we need to do and complete by the end of the project

11:00 – 13:00

teachers meeting – discussing project content-related results and what is worth continuation and/or developing and implementing into regular activities of our organisations

16:00 – 18:00

discussing project dissemination, agreeing on final version of project audio-visual materials, discussing follow-up dissemination activities on local and international levels

Monday 18.11.2024

8:00 – evaluation of the project (proposing tools and forms for project evaluation on the local level) and discussion of possibilities for future cooperation
